TERMS AND CONDITIONS OF SALE

The prices named in this list cancel all previous quotations. Being based on current market conditions, they are subject to change without notice, and may be increased to include any Federal or State taxes levied on sales or any increase in the cost of labor or materials caused by Federal or State legislation or regulation. All sales are made with the understanding that we shall not be liable in event of crop loss, or of damage from other causes over which we have no control.

All goods are forwarded at purchaser's risk.

Claims for errors, deductions, etc., must be made within ten days after goods arrive at destination to receive attention.

Terms of Payment—Account due 30 days from invoice date. These terms are offered only where satisfactory credit arrangements have been made. All accounts not paid promptly on the due date draw 6 per cent interest from that date.

C. O. D. Shipments—Orders for C.O.D. shipments should be accompanied by cash for one-third of the amount of the order to insure acceptance.

Non-Warranty and Liability—We give no warranty, expressed or implied, as to the growth or productiveness of the Nursery Stock that we sell, our only guarantee being that it will be in good conditions at the time that it leaves our hands. We exercise the greatest care to keep our varieties pure and true to name and hold ourselves in readiness to replace at all times, on proper proof, any Nursery Stock that may prove otherwise or to refund the amount paid, but it is mutually agreed that we shall at no time be liable for any amount greater than the amount originally paid for said Nursery Stock.

NOTE: We accept all orders subject to crop conditions and on condition that same shall be void should injury befall our stock from hail, fire, frost, error in count or other causes beyond our control. All orders are accepted for non-performance if labor shortages or delay in transportation should prevent us from making delivery.

Packing—The prices in this list do not include packing. All orders for forwarding by freight or express, except car-load lots, are carefully packed in boxes or bales for which a charge is made sufficient to remunerate for cost of materials and time. No charge is made for loading in bulk, in cars or trucks, but all trucks should carry suffificient tarpaulins to properly cover the stock.

Boxing Charges—Charges are made as low as possible for well-made boxes, paper lined:

30 x 30 x 10	$8.50	24 x 24 x 8	6.50
30 x 30 x 8	7.50	24 x 24 x 6	5.50
Casket Boxes	3.50		

Bales $1.00 to $6.00, depending on size.

Location and Shipping Facilities—Nurseries and office are located in the center of Indiana, 6 miles directly west of Indianapolis on concrete dual lane road U. S. 40. Hourly bus service from Indianapolis.

TERMS AND CONDITIONS OF SALE (Continued)

Truck Deliveries—Several responsible contract freight truck lines operate through Bridgeport with proper connections for transfers to many points, particularly in Indiana, Illinois, Iowa, Kentucky, Michigan and Ohio. Rates in most instances are the same as local freight rates.

Where customers wish to send their own trucks for bulk loading, it is advisable to give us three or four days advance notice so that we may have the material ready when the truck arrives and avoid delay.

TARPAULINS

All Trucks Should Carry Sufficient Tarpaulins to Properly Cover the Stock.
